

# MOHAMED EL MUTASIM ABD EL BAGI

MB.BCh, Cairo  
D.M.R.D., London  
FFRRCSI, Ireland  
FRCR, London  
Master Degree in Health Care TQM, Ribat University

## REGISTRATION:

- Fellow of the Faculty of Radiologist, Royal College of Surgeons in Ireland, since June 1983
- Fellow of the Royal College of Radiologists, London, July 2004
- Member of the Royal College of Radiologist, London, since June 1979
- Fully registered with General Medical Council, London, No. 2884202 since 17 November 1983
- European Specialist Training Authority-Approval since 17 Dec 1997
- Member of European Congress of Radiology, since 1998
- Full registration with Saudi Council of Medical Specialties No. 00/R-M/1175 since 22/5/2011.
- Fully registered with Sudan Medical Council since 1978 No. 1246.
- Member of the Radiologic Society of North America RSNA No. 0078461.
- Member of the Radiologic Society of Saudi Arabia No 76.
- Member of International Society of Health Care Quality No 1547.

## CONTACT DETAILS:

### EMAIL ADDRESS:

drm\_bagi@hotmail.com  
abdelbagimo@ngha.med.sa

### MOBILE:

00966508329000

## PERSONAL PROFILE:

**DATE OF BIRTH:** 15 June 1948

**NATIONALITY:** Sudanese

## CURRENT POSITION:

### CONSULTANT RADIOLOGIST

King Abdulaziz Military Medical City  
Riyadh, Saudi Arabia  
Since 16 February 2014

## POSITION at HOME:

- **Professor of Radiology**  
Faculty of Medicine, Radiology  
Section, National College,  
Khartoum, Sudan
- **CEO and Head of Radiology**  
Dar Alilaj Specialized Hospital,  
Khartoum, Sudan

1 September 2012 to 31 December  
2013

## SPECIAL ASSIGNMENT

Founder member of the Saudi Board  
of Radiology representing the Saudi  
Ministry of Defense

## INTERNATIONAL POSITION

Member of the International  
Relation Committee for the European  
Congress of Radiology, ECR Vienna,  
1999-2006 Representing the Gulf  
Region

## **BRITISH EXPERIENCES AS CONSULTANT:**

1. Consultant (Locum) at University Hospital, Coventry, UK 19 Aug – 18 Sept 2019.
2. Consultant (Locum) at University Hospital, Coventry, UK 31 Aug – 28 Sept 2018.
3. Consultant (Locum) at University Hospital, Coventry, UK 21 Aug – 17 Sept 2017.
4. Consultant (Locum) Alexandra Hospital, Redditch, Worcester 2May-3 June 2016.
5. Consultant (Locum) North Staffordshire (Royal Stoke) University Hospital 21 Aug – 30 Sep 2015.
6. Consultant (Locum) North Staffordshire (Royal Stoke) University Hospital 2 Sep – 12 Oct 2014.
7. Consultant (locum) Darlington Memorial Hospital, Darlington 15 Nov – 15Dec 2013.
8. Consultant (Locum) Queen Elizabeth Hospital Gateshead New Castle 1<sup>st</sup> June – 13 July 2012
9. Consultant (Locum) at Royal Bolton Hospital 28 May 2012-14 June 2012.
10. Consultant (Locum) at Doncaster Royal Infirmary 20 June-31 July 2011.
11. Consultant (Locum) at University Hospital, Coventry, 18 April 2011 - 1<sup>st</sup> May 2011.
12. Consultant (Locum) at Surrey and Sussex Hospital, 5April 2011- 14 April 2011.
13. Consultant (Locum) at University Hospital Coventry 26 March 2011-28 March 2011.
14. Consultant (locum) at Huddersfield Royal Infirmary 28 February 2011-25 March 2011.
15. Consultant (Locum) at Bradford Royal Infirmary 5 September 2010- 18 February 2011.
16. Consultant (Locum) at University Hospital, Coventry, UK 25 Jan- 5 Sept 2010.
17. Consultant (Locum) at Royal Bournemouth Hospital, UK 16 Sept-11 November 2009.
18. Consultant (Locum) at Colchester General Hospital 16 July -6 September 2007.
19. Consultant (Locum) at Colchester General Hospital ,15 June- 3 September 2006
20. Consultant (Locum) at Colchester General Hospital, 29 July -- 28 September 2005.
21. Consultant (Locum) at Prince Charles Hospital, Merthyr Tydfil, Wales, 25<sup>th</sup> July – 1 September 1997.
22. Consultant (locum) at Prince Charles Hospital, Merthyr Tydfil, Wales, 30<sup>th</sup> July – 30<sup>th</sup> August 1998.
23. Consultant (Locum) at St. Albans City Hospital and Hemel Hempstead September/October 1984.
24. Consultant (Locum) at St. Albans City Hospital and Hemel Hempstead August/September 1985.
25. Consultant (Locum) at St. Albans City Hospital and Hemel Hempstead July/August 1987

## **PUBLIC & MASS EDUCATION**

- Presenter of weekly TV show at Ashoroog satellite TV 2012-2013

### **Societal Role in Diaspora:**

- Spokesman for the Sudanese Health Ambassadors conference, 1-3 January 2022, Khartoum, Sudan

## **PREVIOUS MIDDLE EAST EXPERIENCE:**

1. Royal Care International Hospital, Khartoum, Sudan  
Consultant Radiologist and M&M Committee chairman - 1 August 2011 to 30 August 2012
2. Riyadh Military Hospital, Kingdom of Saudi Arabia  
Senior Consultant Radiologist (Teaching) and Head of TQM Committee - 22 August 1994 to 22 August 2009
3. Social Insurance Hospital, Riyadh, Kingdom of Saudi Arabia  
Head, Department of Radiology and MRI - 09 September 1991 to 28 July 1994
4. King Fahad Military Medical Complex, Dhahran, Kingdom of Saudi Arabia  
Chief of Diagnostic Imaging Department - 08 October 1990 to 09 September 1991  
Consultant - 10 October 1988 to 07 October 1990
5. Khartoum University, Sudan  
Head of Department, Unit of Radiology, Faculty Medicine - 01 December 1986 to 09 October 1988
6. Khartoum University, Sudan  
Senior Lecturer in Radiology, Faculty of Medicine (this is equivalent to assistant professor positions in other universities) - 10 December 1983 to 30 November 1986

## **AWARD**

- Riyadh Military Hospital 1996 award for outstanding contribution in post graduate training

## **SUPERVISION OF PHD STUDENTS**

- Mahasin J Yagoob; Uterine contraction as a predictor of fertility in unmarried Sudanese (PhD).
- Abdelrahim Mohamed MRI of Femoral Trochlear Dysplasia in Sudan (MD thesis).

## **RESEARCH AND PUBLICATIONS (Master Degree Thesis)**

- How to initiate total Quality Management at different hospital settings and radiology departments Ribat University Khartoum Sudan, 15 May 2012

## BOOK CO-EDITOR

- Imaging of Parasitic Diseases, M Haddad, M E Abd El Bagi and J Tamraz Springer Verlag 2008.

## BOOK CHAPTERS AUTHOR

1. Imaging of Musculoskeletal Parasites M.E.Abd El Bagi in Imaging of Parasitic Diseases, M Haddad, M Abd El Bagi and J Tamraz eds, Springer Verlag, 2008, pp 159-177.
2. Imaging of GIT Parasites, M E Abd El Bagi in Imaging of Parasitic Diseases M Haddad, M Abd El Bagi and J Tamraz eds 2008, pp 73-102.
3. Imaging Musculoskeletal Tuberculosis. M.E. Abd. El Bagi, M. Al Shahed, M. Madkour in Tuberculosis ed. M. Madkour. Springer-Verlag Publisher Berlin 2004 Chapter 35 pp. 605-625.
4. Imaging of Gastrointestinal tuberculosis. M. Al Shahed and M. Abd. El Bagi in Tuberculosis ed. M. Madkour, Springer Verlag Publisher. Berlin Heidelberg 2004 Chapter 38 pp 679-698.
5. Radiology of Pulmonary Tuberculosis. M Al Shahed, M E.Abd El Bagi in Tuberculosis ed M. Madkour. Springer-Verlag Publisher – Berlin Heidelberg 2004. Chapter 23 p 359-384.
6. Extrapinal musculoskeletal tuberculosis. M. Madkour, A. Al Kudwah, M. Abd. El Bagi in Tuberculosis ed. M. Madkour Springer-Verlag Publisher in Berlin 2004, Chapter 34 pp 587-604.
7. Infections of the Knee, M.E. Abd El Bagi, M.S. Shahed and B. Sammak, in Imaging of the Knee, eds. AM Davies & Cassar-Pullicino, Springer Verlag publishers, 2002. Chapter 14 pp 249 – 267.

## PAPERS

1. Radiology residents' feedback on initial training by social media in a limited resource sub-Saharan setting during the COVID-19 pandemic ECR21#124349(Abstract)
2. Challenges encountered by radiologists during the COVID-19 pandemic in a limited-resource third-world setting –ECR21 #15256(Abstract)
3. Should plain radiographs persist or be replaced by alternative scans for imaging of acute non-traumatic abdominal pain? M Abd El Bagi, B Almutairi, S Alsolamy, M Alaizari, S Alrashid, I Alrashidi, N Shaheen, M Reutener. Imaging Med 2017;9(6):179 -183.
4. Imaging of Acute Non-traumatic Abdominal Pain Presenting to the ER. M.E Abd El Bagi, B M Almutairi, S Alsalami. Saudi Med J 2016(3):324-7.
5. ACL graft tear, Primary and secondary MRI signs E.Khider, M. E. Abd El Bagi M Al Hosan, Review article. Saudi Med J 2009;30(4):465-471.
6. Mycetoma revisited, incidence of various radiographic signs. M. E. Abd El Bagi & A Fahal. Saudi Med J 2009;30(4):529-533.
7. Gastrointestinal parasite infestation. M.E. Abd. El Bagi, B.M. Sammak, A.E. Mohamed, M.A. Al Karawi, M. Al Shahed, M.A. Al Thagafi. Eur. Radiol 2004 (14) E 116-E131.
8. Mycetoma of the hand. M. Abd. El Bagi, O. Abdulwahab, M. A. Al Thagafi, H. Al Sheikh, K. Salman, M.K. Taifoor, F.M. Osman. Saudi Medical Journal, 2004;25(3):352-354.
9. Pathologic Fractures in Mycetoma. Transaction of Royal Society Tropical Medicine and Hygiene. M. E. Abd. El Bagi, AH Fahal, H. Al Sheikh, O. Abdul Wahab, M. Taifoor, F. Osman. 2003,97(5):582-4
10. New Radiographic Classification of Bone Changes in Pedal Mycetoma. M. El. Abd. El Bagi American Journal of Roentgenology. 2003; 180:755-668.
11. Rare Bone Infections "Excluding the Spine", M E Abd El Bagi, B. Sammak, M. Al Shahed, B. Yousef, O.A. Demuren, M.A. Al Thagafi. European Radiology 1999 (9) 1078 – 1087.
12. Osteomyelitis, A Review of Currently Used Imaging Techniques. B. Sammak, M E Abd El Bagi, M.S. Al Shahed, D. Hamilton, B. Yousef, M.A. Al Thagafi. Eur. Radiology. 1999 (9) 894 - 900.
13. Unnecessary X-rays: Occurrence, Disadvantages & Side Effects, ME Abd El Bagi, S Damegh, T Linjawi. Saudi Medical Journal 1999, 20(7) 491-494.
14. Consideration to Radiology Cost and Cost Effectiveness by Medical Staff during Daily Patient Management, ME Abd El Bagi, R Al Kuhaymi. Saudi Medical Journal. 1999, 20 (6) 465-467.
15. Transcutaneous Ultrasound of Gastric Pathology. M Al Karawi, ME Abd El Bagi, A Mohamed. Hepatogastroenterology 1998, 19 (45) 48-51.
16. Familiarity of hospital clinicians with health care costs and cost effectiveness. R. Kuhaymi, M E Abd El Bagi. Saudi Medical Journal, 1999, 20 (2): 447-450
17. Radiological Manifestations of Liver and Gastrointestinal Parasitic Infections. B. Sammak, B.A. Yousef, A.E. Mohamed, M E Abd El Bagi, Z. Ghandour, A.Al Jumah, M. Al Karawi. Hepatogastroenterology. 1999, 46:1016 - 1022.
18. The spectrum of costovertebral dysostosis. M E Abd El Bagi, M Haddad, M Al Mutairi, W Jan, M Al Thagafi. Saudi Medical Journal, 1998, 19 (5): 628-631.
19. Updated guidelines for radiation protection of women in the child bearing age. M E Abd El Bagi, U.J. Miola, M. Al Thagafi. Saudi Medical Journal Review article, Saudi Medical Journal 1998, 19 (5): 539-541.
20. Needle Track Seeding following percutaneous Ethanol injection for treatment of Hepatocellular carcinoma. B. Sammak, B Yousef, M E Abd El Bagi, M E Al Karawi, A.E. Mohamed, M.A. Gali, M.A. Al Shahed. Hepatogastroenterology 1998, (45) 1097-1099.
21. Water enhanced (non-paralytic) Transcutaneous Ultrasound of Gastric walls layers (WETCUS), M E Abd El Bagi, M Al Karawi, B. Sammak. B. Yousef, A E Mohamed, M. Al Shahed, S. Fergie. Hepatogastroenterology. 1998 (45) 2052-2054.

22. Sonographic Imaging of appendix testis and appendix epididymis. O. Demuren, M E Abd Bagi, M. Al Thagafi, Saudi Medical Journal 1998; 19 (3) 447-449.
23. Challenges encountered in commissioning new health care facilities: A radiology department experience. M E Abd El Bagi & Al Freihi. Saudi Medical Journal 1998, 19 (1) 85-86.
24. Diagnostic Radiation of Potentially Reproductive Females. M E Abd El Bagi, M Al Thagafi, M Al Mutairi, N Al Masri, O Al Sasi. Saudi Medical Journal 1997, 18 (3): 252 - 254.
25. Saudi Women's Consent for invasive radiologic procedures. M E Abd El Bagi, M Al Thagafi, M Al Mutairi, N Al Masri, O Al Sasi. Annals of Saudi Medicine. 1997 (17) 2: 261 - 262.
26. Initiation of a Radiology QA Program. M E Abd El Bagi & M Al Mouzan. Saudi Medical Journal 1997; 18 (2) 201-203.
27. Ultrasound Diagnosis of "Dry Type" ileocecal tuberculosis. M E Abd El Bagi, M. Al Karawi. Hepatogastroenterology 1997 (44) 1033-1035.
28. Delayed Complications of Pancreatic Injury: Role of CT in Detection and Management. M E Abd El Bagi, MS Haddad, H Al Harbi, M Al Karawi. Hepatogastroenterology 1996. 43:456 - 462.
29. CT Diagnosis of Blunt Pancreatic Trauma, Importance of Detecting Fluid Between the Pancreas and Splenic Vein. M Haddad, M E Abd El Bagi and W Harbi. Letter to the Editor AJR. 1995:165,738-739.
30. Viral Pathogen and Clinical Manifestations associated with Acute Lower Respiratory Tract Infection in Children of Sudan. M Saleh, B Herrmann, M Grandien, M El Hag, B Yousef, M E Abd El Bagi, P Mardh, H Ahmed. Clinical and Diagnostic Virology 1994; 12:201-209
31. First regional postgraduate course in medical ultrasound. Experience at King Fahd Medical Complex, Dhahran, Kingdom of Saudi Arabia. M E Abd El Bagi, T K El Hussein, A Al Dayel, F Mehboob, Saudi Medical Journal, 1994; 15 (2): 158-159.
32. Large Vaginal Stone, M E Abd El Bagi, Saudi Medical Journal, (1192) 4:367.
33. Prevalence of Gall Bladder Disease in Sudan; First Sonographic Field Study in Adult Population. M E Abd El Bagi et al, (1991) Gastroenterology 100 No 5 Supplement Part 2:A301. Abstract of papers submitted to the American Gastroenterological Association.
34. The Social and Clinical Dilemma of Pelviabdominal Masses in Unmarried Sudanese Females. Abstract of papers presented at the Annual Conference of the Royal College of Radiologist. M E Abd El Bagi Clinical Radiology, (1990) 42:379.
35. Splenic Abscess, A Report on Two Sudanese Children. MAM Hussain, A Hamid, T I Hummida, I A Aziz and M E Abd El Bagi, Sudan Medical Journal (1986) 24:1-4.

## INTERNATIONAL CONFERENCES PRESENTATIONS

1. A simplified triple tier triage for imaging non-traumatic abdominal pain. Poster No. 2022-2060. Accepted for AOCC and KCR Seoul, South Korea 20 to 25 September 2022.
2. Radiology residents' feedback on initial training by social media in a limited resource sub-Saharan setting during the COVID-19 pandemic – ECR 21 #12434
3. Challenges encountered by radiologists during the COVID-19 pandemic in a limited-resource third-world setting – ECR21 #15256
4. Imaging Sports Injuries, Sudan Orthopedic conference, Khartoum 8<sup>th</sup> February 2020.
5. Knee derangement in the era of total knee replacement epidemic. European Congress of Radiology Vienna, Austria  
28 Feb – 4 March 2018 oral presentation by resident O Alshehre Abstract No 5532s, Oral presentation session SS 310, B036.
6. To Die or Die Hard? Plain Radiography for Acute Non-Traumatic Abdominal Pain presenting to The Emergency Department. European Congress of Radiology Vienna, Austria. 1-5 March 2017. Oral presentation. Scientific Paper Abstract No 4625. Session B-0292.
7. Sonographers Ergonomic Pains, who cares? European Congress of Radiology Vienna, Austria. 1-5 March 2017. Oral presentation. Scientific Paper Abstract No 4771.
8. Healthcare High Reliability Transformation and Culture, A slogan or a Daily Frontline staff commitment and practice. Healthcare and Medical Tourism, Dubai, UAE 17-18 November 2016.
9. "Don't cry for me radiographia": Plain abdominal radiographs for non-traumatic acute abdominal pain. International Conference on Internal Medicine, October 31-Nov 02, 2016 San Francisco, USA.
10. To bury Caesar or to praise him? Imaging of non-traumatic acute abdominal pain. European Society of Emergency Radiology conference, Naples, Italy 4-6 July 2016.
11. Ultrasound Ergonomics. 16<sup>th</sup> Mediterranean and African Society of Ultrasound Conference, Alexandria, Egypt 5-7 October 2016.
12. Radiology of Neglected Diseases, International Conference of Neglected Infections, 18-19 January 2016 PSMC, Riyadh, Saudi Arabia.
13. A perspective of patients concerns and priorities in different parts of the world beyond the standard key features of high reliability. 32<sup>nd</sup> ISQUA conference Doha Qatar 4-7 October 2015(Poster No 15-2182).

14. Total Quality Management Obstacles and Contributors in Developing Countries, a Down to Earth, River Nile Explanatory Model. 32<sup>nd</sup> ISQUA conference Doha Qatar 4-7.10.2015 (poster No. 15-1447).
15. The Sudanese Orthopedic Society Conference, Nonconventional Osteosarcoma 8 Feb 2013
16. The Sudanese society of gastroenterology-CT colonography March 2012
17. Recent advances in radiology, Sudan association of physicians Carinthia, Port Sudan Jan 2012
18. International Breast cancer MR mammography 5-7 Dec 2011. Friendship hall, Khartoum.
19. Cardiac CT. Sudan Heart Centre Dec 2011
20. The challenge of knowledge transfer 9 July 2013, Sudanese expatriates conference, Khartoum.
21. MR mammography, First International Conference on Breast Cancer, Khartoum, Sudan 5-7 Dec2011.
22. CT colonoscopy, African & IDCA conference, 14 February 2012, Khartoum, Sudan
23. Imaging of Peculiar Musculoskeletal Infections, Invited Speaker, ECR meets Saudia session Vienna 4-8 march 2010.
24. Recent advances in US probe technology, 1<sup>st</sup> International Middle East Musculoskeletal Ultrasound Course, Military Hospital, Riyadh, 2-4 May 2009.
25. Radiology –pathology correlation of crano-cervical junction lesions. Combined ECR/RSSA meeting, Durat Alaroos Jeddah 30 March 2009.
26. Radiology of mycetoma, Mycetoma International Week, Mycetoma Research Centre, 11-15 January 2009, Khartoum Sudan
27. Plain film interpretation in Rheumatology Workshop Invited speaker, First Rheumatology symposium, Riyadh Armed Forces Hospital, 17 April 2005
28. Gastrointestinal parasites – invited speaker – categorical course in infection in the adults today, European Congress of Radiology, 4-8 March 2005, Vienna.
29. Imaging Sport Injuries. Invited speaker, Pan Arab radiology conference, Beirut 15-18 September 2004
30. Quality Assurance for small hospitals and non-specialized radiology departments. Invited speaker – workshop on QA. 5<sup>th</sup> United Arab Emirates Conference, 18-21 April 2004. Abu Dhabi
31. Imaging of Gastrointestinal Parasites – Invited speaker – categorical course on infection in the adults, European Congress of Radiology, 1-5 March 2004, Vienna.
32. Mycetoma of the hand. European Congress of Radiology, Vienna, 7-11 March 2003.
33. Preoperative Transperineal Ultrasound Assessment of Anorectal Atresia. 8<sup>th</sup> Congress of the Arab Association of Pediatric Surgeons and International Symposium on Pediatric Surgery and Workshop. Riyadh Armed Forces Hospital, Riyadh, 1 - 10 October 2002
34. MRCP, Initial experience at two centers in Riyadh, M. Abd. El Bagi and F. Skaff, 4<sup>th</sup> Pan Arab Gastroenterology conference, 10-14 February, Khartoum Sudan
35. US classification of gastric wall changes in Bilharzial Congestive Gastropathy. Eur Congress of Radiology Vienna, 7-12 March 1999.
36. Transcutaneous US of gastric pathology. World Congress of Gastroenterology, Vienna. 6-11 Sept 1998. Poster Presentation. M Al Karawi, M Abd El Bagi.
37. Role of Ultrasound as a part of gastroenterology out-patient examination in detecting gall bladder related disease. Poster presentation. M. A. Karawi, J. Al Nabulsi, M. Abd El Bagi, M Yassawy, Z. Ghandour, 8<sup>th</sup> World Congress of IGSC Strasbourg, France, 15-18 April 1996.
38. Role of Imaging in Female Infertility. Invited speaker, 7<sup>th</sup> International Conference on Assisted Reproductive Technology. Alexandria, Egypt, 12-14 September 1997.
39. US Imaging of hollow GIT organs. Invited lecturer. Tygeberg Hospital. South Africa 27 May 1997
40. Demonstration of gastric wall layers by percutaneous ultrasound 7<sup>th</sup> World Congress of International IGSC. Budapest, 27-30 June 1996. M Abd El Bagi, M Al Karawi. Poster Presentation.
41. Bilharzial Congestive Gastropathy – Ultrasound demonstration of gastric wall changes. Oral Presentation. M E Abd El Bagi. Int. Congress of Radiology Beijing, China, 09-13 June 1996.
42. The Social and Clinical Dilemma of Pelviabdominal Masses in Unmarried Sudanese Females. M E Abd El Bagi. Annual Conference of the Royal College of Radiologist, Edinburgh 1990.

## **EXPERIENCE AS EXTERNAL EXAMINER FOR RADIOLOGY POSTGRADUATE/PROGRAMME**

1. External examiner, Final Exam, Postgraduate MD Radiology, Sudanese Council of Medical Specialties 22 December 2011.
2. External examiner, Final Exam, Postgraduate MD Radiology, Sudanese Council of Medical Specialties 13-15 January 2009.
3. External examiner, Final Exam, Postgraduate MD Radiology, Khartoum University, 30 Nov. 2006.
4. Senior examiner, Final exam, Saudi Board of Radiology, 17 December 2005.
5. External Examiner, Final Exam, Postgraduate MD Radiology, Khartoum University, 30 Sept. 2005
6. Senior Examiner, Final Exam, Postgraduate MD Radiology, Khartoum University, 22-24 March 2005.
7. Senior Examiner in musculoskeletal imaging, Final exam, Saudi Board of Radiology, 4-5 Jan 2005.
8. External tutor for mock exam, Postgraduate Radiology MD, Khartoum, Sudan 22 June 2004.
9. External tutor for mock exam. Intensive Radiology Course, King Saudi University, 16-19 May 2004.
10. Mock Examiner, Intensive Review Course in Radiology, King Saud University, 25-27 May 2003
11. Senior Examiner for End of Year Oral Exam, King Saud University, 22 September 2002
12. Participant senior resident examination preparation, Saudi Board of Radiology, 26 August 2002.
13. Examiner for Part I Postgraduate MD Radiology, University of Khartoum, 1-3 January 2002.
14. Senior Examiner of Saudi Board Radiology Residents Yearly Promotion (R2 & R3). 6 June 2001.

15. Senior Examiner, Final Exam Saudi Board of Radiology, 31 January 2001.
16. External Examiner for Part I Mock exam in Anatomy, King Saud Fellowship, 25 May 1999.
17. External Examiner for Part I & II of MD in Radiology, University of Khartoum, 10-18 Dec 1998.
18. External examiner in Part 1 Anatomy, King Saud University Fellowships, 19 September 1998.
19. External examiner in Part 1 Physics of Radiology, King Saud University, 12 September 1997.
20. External examiner for King Saud Diploma and Fellowship Mock examinations 26 May 1996 20. Lecturer and Mock examiner for Part MRCP course, Riyadh Military Hospital, 6-21 December.

## **ORGANIZATION OF POST GRADUATE COURSES**

1. MDT Meetings and Tumor Board Symposium, SMSB Grand Hall, 30 May 2022 (2 Hours).
2. Clinical Radiology Course Case 1 on 23 May 2022 (6 hours).
3. Clinical Radiology Course Case 2 on 25 May 2022 (6 hours).
4. Intensive Radiation Course (2), Sudan Medical Specialization Board, Khartoum, 30 to 31 August 2021.
5. Member of the Organizing committee ICRM 2020, Riyadh, King Faisal Specialist Hospital, Riyadh
6. Intensive Radiology Courses for Sudan Medical Specialization Board, Khartoum 19-30 Jan 2020
7. Course Chairman, 3<sup>rd</sup> Radiology for Non-Radiologists, 5-6 Oct 2019, National Guard Hospital Riyadh
8. Course Chairman, Radiology for Non-Radiologists, 31 March 2018 National Guard Hospital, Riyadh
9. Member of the Organizing committee ICRM 2018, Riyadh, King Faisal Specialist Hospital, Riyadh
10. Course Chairman, Radiology for Non-Radiologists, 5-7 May 2017 National Guard Hospital, Riyadh
11. First MSK ultrasound course, Khartoum, National University 26 March 2013
12. Course organizer, Problem based radiology course for clinicians, Module I, 27-28 May 2009
13. Course organizer, First International Musculoskeletal Ultrasound Course, Riyadh 2-4 May 2009
14. Scientific Session Moderator, Radiologic Society of Saudi Arabia Jeddah 30 March -2 April 2009
15. Scientific Session Moderator, Radiologic Society of Saudi Arabia Jeddah 31 March-3 April 2008
16. Refresher Course moderator ECR Vienna RC 910. Bone marrow malignancies, 11 March 2007.
17. Tutor, Saudi board final pre exam review sessions, January, 2007
18. Member of the Organizing committee, 9<sup>th</sup> International MRI course Riyadh, 21-24 January 2007
19. Director, First Diagnostic Imaging Course for Physiotherapists, Riyadh, 23-25 April 2006
20. Intensive review course for senior MD residents, Khartoum University, Sudan 25-29.7.2004
21. Workshop Organizer, Radiology for Primary Care, Riyadh Armed Forces Hospital, 5 May 2003
22. Scientific Session Moderator, 55610, Session on Infection and Inflammation, European Congress of Radiology, Vienna, 08 March 2003
23. Coordinator, First Int. Blue Nile Radiology Course, 30<sup>th</sup> Jan. –2<sup>nd</sup> February 2003, Khartoum, Sudan
24. Member of the Organizing Committee of the 8<sup>th</sup> Int. MRI Course, Dhahran, 21-23 October 2002
25. Organizer and resource person, Workshop on x-ray interpretation for Family and Community Medicine department, Armed Forces Hospital, Riyadh, 25 September 2002
26. Coordinator for the 2<sup>nd</sup> Combined Radiologic Pathology Correlation Course between the American Armed Forces Institute of Pathology and Riyadh Military Hospital, October 22-25, 2001
27. Member of the organizing committee, 7<sup>th</sup> International MRI Course, 2-5 April 2001, Dhahran, KSA. (22 CME credits by the Saudi Council and 22 CME by the Royal College of Radiologists)
28. Coordinator of the First Combined Radiologic Pathology Course between the American Armed Forces Institute of Pathology and Riyadh Military Hospital, 18<sup>th</sup> –21<sup>st</sup> October 1999. (Course awarded 23 CME by the Saudi Council and 24 CME Credits by the Royal College of Radiologists)
29. Course Organizer 6<sup>th</sup> International MRI Course Riyadh Military Hospital, 27-29<sup>th</sup> October 1998. (Course awarded 30 hours by Royal College of Radiologists)
30. Director of Scientific Committee for the 5<sup>th</sup> International MRI Course held in 27-30 October 1996 (courses awarded 21 CME hours by Royal College of Radiologist)
31. Course Organizer. Radiation Protection for Non-Radiologist RKH, 19-20 May 1998
32. Course Organizer – Medical Ultrasound Course, Riyadh Military Hospital, 13-16 March 1997. (Course awarded 21 CME hours by Royal College of Radiologists)
33. Member of Organizing Committee. Annual Imaging Symposium, King Saud U., 5-7 May 1997
34. Member of the Organizing Committee. The Annual Imaging Symposium held on 6-10 April 1996, King Saud University
35. Course Organizer, First Regional Ultrasound Course, King Fahad Military Medical Complex, Dhahran, 2-5 March 1990

## **INVITED REVIEWER FOR JOURNALS**

1. European Radiology since 2009
2. Saudi Medical Journal since 1996
3. Saudi Journal of Gastroenterology since 2007
4. Omani Medical Journal since 2009
5. Sudan Medical Monitor Journal Since 2013

## **SPECIAL EXPERIENCE**

1. Handling mass casualty situations Gulf War 1990-1991  
King Fahd Military Medical Complex was a main front-line hospital for the Gulf War I injuries.

- I chaired the department throughout the Gulf War crisis and was responsible for the establishment of relevant plans to face the force major disaster and imaging war injuries.
2. Setting-up and mobilization of a modern multi-modality imaging department.
    - i. Social Insurance Hospital, Riyadh, was open in January 1992.
    - ii. The Radiology Department includes a 1.5T MRI, Gamma Camera with SPECT facilities, DSA unit, CT and Ultrasound equipment.
    - iii. I gained experience in mobilization, setting-up policies and quality assurance plans.

## CONTINUED MEDICAL EDUCATION

1. Registered: Royal College of Radiologist Global Conference, 29 September to 1 October 2022
2. Registered: The Asian Oceanian Society of Radiology and Korean Society of Radiology (AOCT and KCR)
3. ECR 3-7 March 2021, Vienna (Virtual)
4. RCR20 21 September - 7 October 2020 (Virtual)
5. ICRM 18 King Faisal Specialist Hospital and Research Center 09-13 February 2020
6. RCR 19 Royal College of Radiologists Conference Liverpool 14-16 October 2019
7. RCR 18 Royal College of Radiologists Conference Liverpool 10 -12 September 2018
8. ECR 18 European Congress of Radiology Vienna 28 February – 04 March 2018
9. ICRM 18 King Faisal Specialist Hospital and Research Center 11-15 February 2018
10. 2<sup>nd</sup> International Quality and Safety Forum, King Faisal Specialist Hospital 02-04 Dec 2017
11. RCR 17 Royal College of Radiologists Conference Liverpool 11 -13 September 2017
12. ECR 17 European Congress of radiology Vienna 01-05 March 2017
13. Stoller MSK MRI course and Fellowship, Las Vegas, USA 31 Oct-2 Nov 2016
14. International Conference of Neglected Infections, 18-19 Jan 2016 PSMCC, Riyadh, Saudi Arabia.
15. 101 RSNA 29 November-4 December 2015, Chicago, USA
16. 32<sup>nd</sup> ISQUA international conference Doha Qatar 5-7 October 2015
17. 8<sup>th</sup> MSK ultrasound Intervention course, Bath UK, 21-23 Sep 2015
18. 17<sup>th</sup> British MSK Ultrasound course, Harrogate, UK, 14-16 September 2015
19. Annual Scientific Meeting, Royal College of Radiologists 8 September 2015
20. ICH-GCU course and examination 13 Nov 2014 KAMC, Riyadh
21. Education Objectives Workshop, KSU-HS, Riyadh 5 November 2014
22. International Skeletal Society Conference, Edinburgh 13-18 October 2014
23. Pediatric Ultrasound Course KAMC-NGH, Riyadh 5-6 May 2014
24. Day course on High Reliability by M Chassin JCI CEO 7 April 2014
25. Secrets for the expert course, KAMC-NGH 30 Dec 2013
26. European Congress of Radiology, ECR Vienna 4-6 March 2010
27. Level (I&II) 5<sup>th</sup> Harefield Cardiac CT course, London 28 June-3 July 2009
28. Basic Neurosciences Course on Peripheral nerves 2-4 June 2009
29. Head & Neck Surgery Course on Skull Base 4-9 April 2009
30. Chest Radiology Review Course, Riyadh Military Hospital March 23-26, 2009
31. RSNA Chicago USA, 30 November -5 December 2008
32. 35<sup>th</sup> International skeletal society radiology refresher course Delhi, India 28 Oct-1 Nov 2008
33. 19<sup>th</sup> European GIT & Abdominal Imaging meeting, Istanbul, Turkey 10-13 June 2008
34. European congress of radiology, Vienna 7-11 March 2008
35. 9<sup>th</sup> International MRI Course, Riyadh military hospital 21-23 January 2007
36. The cost of Quality Workshop, Riyadh Military Hospital, 25 November 2006
37. Evidence Based Medicine Workshop, Riyadh Military Hospital, 21-23 November 2006
38. European Congress of Radiology, Vienna, 4-8 March 2005
39. 2<sup>nd</sup> Conference on Medical Journals, WHO Eastern Mediterranean Region, Riyadh 10-12 Oct 2004
40. European Congress of Radiology, Vienna, 5-9 March 2004
41. Clinical Skills Assessment Workshop. Saudi Council for Health Specialties, 18-19 October 2003
42. European Congress of Radiology, Vienna, 7-11 March 2003
43. Education Planning, Evaluation and Teaching Skills Workshop, Riyadh 19-21 October 2002
44. 7<sup>th</sup> International MRI Course, Dhahran, 20-24 October 2002
45. EEG and Epilepsy Course, 12-14 April 2003, Riyadh Armed Forces Hospital
46. European Congress of Radiology, Vienna 1-5 March 2002
47. European Congress of Radiology, Vienna 5-10 March 2000
48. Radiology 2000, King Faisal Specialist Hospital, 31 January – 02 February 2000
49. European Congress of Radiology, Vienna, 7-13 March 1999
50. First British Musculoskeletal Ultrasound, Oxford 7-9 Jan. 1999
51. 6<sup>th</sup> International MRI Conference, Riyadh, 26-28 October 1998.
52. Annual Imaging Symposium. King Saud University 5-7 May 1997
53. Ultrasound/CT Symposium, Durban, South Africa 30 May – 1<sup>st</sup> June 1997
54. Pan Arab Neurosciences Conference, Riyadh, March 1997
55. 5<sup>th</sup> International MRI Conference, 27-30 October 1996
56. International Congress of Radiology, Beijing, 9-13 June 1996
57. Research Methodology Course, Module II, 13-18 January 1996
58. Research Methodology Course, Module I, Riyadh Military Hospital, 17-29 June 1995
59. International MRI Course, Riyadh, October 1994

60. Telemedicine Seminar and demonstration, Riyadh, February 20, 1994
61. International Conference on Arthroscopic Surgery, Riyadh, 08-11 December 1994
62. Neurointerventional Radiology Course, Riyadh, November 1993
63. RSNA '93 Chicago, Illinois, USA November 27-December 2, 1993
64. RSNA '92 Chicago, Illinois, USA, November 29-December 4, 1992
65. British Institute of Radiology Annual Conference, London, May 1991
66. Annual Conference Royal College of Radiologist, Edinburgh, September 1990

### **SENIOR REGISTRAR IN ENGLAND**

1. 01 July – 30 September 1983, Senior Registrar (Locum), Royal Liverpool and Children's Hospital, Liverpool.
2. 04 April – 30 June 1983, Senior Registrar (Locum), Merseyside Neurological Centre, Walton Hospital, Liverpool.
3. 15 November – 31 December 1992, Senior Registrar (Locum), Walton and Fazakerley Hospitals, Liverpool.
4. 01 October – 14 November 1982, Senior Registrar (Honorary), Merseyside Neurological Centre, Walton Hospital, Liverpool

### **REGISTRAR IN ENGLAND (Liverpool University Rotational Scheme)**

1. 01 April – 30 September 1982 – Clatterbridge Hospital
2. 01 October 1981 – 31 March 1982 – Broad Green Hospital
3. 01 April 30 September 1981 – St. Catherine's Hospital (Paediatrics)
4. 01 October 1980 – 31 March 1981 – Royal Liverpool Hospital
5. 01 April – 30 September 1980 – Walton General Hospital
6. 02 January – 31 March 1980 – Alder Hey Children's Hospital

### **HONORARY REGISTRAR IN ENGLAND**

01 October 1978 – 01 January 1980, Honorary Clinical Assistant to Dr. David Edwards, formerly Director, X-ray Department, University College Hospital, London

### **REGISTRAR**

From 01 August 1977 to 30 September 1978, X-ray Department, Khartoum Teaching Hospital and part-time teacher, High Institute of Radiography in Khartoum.

### **MEDICAL OFFICER**

1. 01 January 1976 – 30 July 1977 – Abu Gebeiha (one doctor hospital)
2. 01 October 1974 – 30 December 1975 – Kadogli (provincial hospital)
3. 01 October 1973 – 30 September 1973 – El Obeid (teaching hospital)

### **ROTARY INTERNSHIP**

13 September – 30 September 1973 – House Officer in Khartoum, North, 3 months OB/GYN, 3 months Internal Medicine, 3 months Pediatrics and 3 months Surgery.

### **SPECIAL VISITS**

1. 5-15 July 1998. Special visit to Professor WW Gibbon, Professor of Sports Medicine, Leeds. Theme – Sports Injuries and Musculoskeletal Ultrasound.
2. 24-30 July 1997. Special visit to Professor W. Al Lees, Department of Imaging, Middlesex Hospital, London to see advancement in ultrasound and echo-contrast media.
3. Two-day visit, Ultrasound Section of the Fetal Medicine Unit, University College Hospital, London, December 1992.
4. In August 1987, I visited various teaching centres in Japan including Professor Shirakabe Centre, Juntendo and Kyuota University Radiology Departments; Toshiba as well as Schimatzu medical equipment Factories.

### **NATIONAL CONFERENCE PRESENTATIONS IN SAUDI**

1. Challenges encountered in setting up and mobilization of New Health Care Facilities. Radiology Department experience. Saudi Ministry of Defense, Medical Services Symposium. Khamis Mushayt. 11 April 1995
2. MRI of the Knee – Correlation with Arthroscopic finding. Minimal invasive surgery conference. October 1994 and International Conference of Arthroscopic Surgery, Armed Forces Hospital, 08-11 December 1994
3. Prevalence of gallbladder disease in Sudan. Poster Presentation. Gastroenterology conference. Al Khozama. March 1995.
4. Transcutaneous ultrasound of gastric pathology. Poster Presentation. Saudi Gastroenterology Conference. Security Forces Hospital. 13-14 March 1996.
5. Ultrasound demonstration of gastric wall changes. Poster Presentation. Saudi Gastroenterology Conference. Security Forces Hospital. 13-14 March 1996.
6. Recent changes in Radiation Protection Guidelines. Symposium of Recent Advances in Medical Imaging. King Saud University. 08 –10 April 1996.
7. MRI Non-Neoplastic Musculoskeletal Disease. Symposium of Recent Advances in Medical Imaging. King Saud University, Invited Speaker, 08 –10 April 1996.

8. Non-paralytic water enhanced percutaneous ultrasound demonstration of the normal gastric wall. Symposium of Recent Advances in Medical Imaging. King Saud University, 08-10 April 1996.
9. History of Ultrasound in Medicine. First Medical Ultrasound Course. Riyadh. 16 –18 March 1997.
10. Ultrasound of the “hollow viscus imaging”. First course in medical ultrasound. Riyadh. 16-18 March 1997
11. Initiation of Radiology QA. Annual Imaging Symposium, King Saud University, 05-07 May 1997.
12. Power doppler US. Initial experience at Riyadh Armed Forces Hospital. Annual Imaging Symposium. 05-07 May 1997.
13. Lobar versus zonal anatomy of prostate. Annual Imaging Symposium, 5-7 May 1997.
14. Transperineal US as an alternative to the hazardous invertogram for pre-operative assessment of anal atresia. Annual Imaging Symposium, 5-7 May 1997.
15. Healthcare Cost and Cost Effectiveness in Diagnostic Radiology. MSD Administrative Symposium, Taif. 12-15 October 1997.
16. Ultrasound of gastric wall pathology. Invited Speaker for the Riyadh Gastroenterology Club. Holiday Inn, Riyadh, 8<sup>th</sup> November 1997.
17. Power Doppler ultrasound in Gastroenterology Bi-Annual Saudi Gastroenterology Conference in Al Khobar Poster Presentation – 28<sup>th</sup> November 1997.
18. Ultrasound classification of Bilharzial Congestive gastropathy, Bi-Annual Saudi Gastroenterology Conference in Al Khobar, Poster Presentation – 28<sup>th</sup> November 1997.
19. MRI of Articular Cartilage Injury. Symposium on Recent Advances in Knee & Hip Surgery, Riyadh Military Hospital 1-3 December 1998.
20. GIT Ultrasound Lecture, (Invited Speaker), Security Forces Hospital, 27 April 1999.
21. Musculoskeletal Ultrasound: Lecture at Riyadh Radiology Club, 21 September 1999.
22. Update on Shoulder Imaging. Combined Riyadh and Jeddah Orthopedics Seminar, 19<sup>th</sup> November 1999.
23. Radiology Cost and Cost Effectiveness: Radiology 2000 Conference, King Faisal Specialist Hospital, 31 January – 02 February 2000.
24. Imaging of Articular Cartilage Injury: Radiology 2000 Conference, King Faisal Specialist Hospital, 31 January – 02 February 2000.
25. Rare Bone Infections: Radiology 2000 Conference, King Faisal Specialist Hospital, 31 January – 02 February 2000
26. MRI in Orthopedic Trauma: Intensive Course in Orthopedics, Dallah Hospital, 8.9.2000
27. Principles and Application of MRI Intensive Course in Orthopedics, Dallah Hospital, 6.10.2001
28. Riyadh Radiology Club Meeting: Sinister Bone Disease, King Faisal Specialist Hospital, 21 May 2002
29. Yet, Another Great Mimicker of Bone Diseases, special hospital lecture, 24 June 2002, Riyadh Military Hospital.
30. Imaging of GIT parasites, Riyadh Radiology Club, King Faisal Specialist Hospital , 21.6.05
31. How to read the chest x- ray? 1<sup>st</sup> Problem Based Radiology Course, Riyadh Military Hospital, 27-28 May 2009.
32. Pain in the Hands and Feet, 1<sup>st</sup> Problem Based Radiology Course, Riyadh Military Hospital, 27-28 May 2009
33. Back and Neck Pain, the red flag, 1<sup>st</sup> Problem Based radiology Course, Riyadh Military Hospital 27-28 May 2009.

#### **KING ABDULAZIZ MEDICAL CITY STAFF WORKSHOP**

- |  |  |
|--|--|
| 1. Shoulder Ultrasound workshop for technologists, Imaging Department, 28 January 2016, KAMC | 3. Thyroid ultrasound workshop for technologists, Imaging Department, 18 may 2014 KAMC   |
| 2. Liver Ultrasound workshop for technologists, Imaging Department, 23 April 2014 KAMC       | 4. SWOT analysis for the current discrepancy meeting for radiologists, 12 Nov 2014, KAMC |

#### **VIRTUAL CLASSES FOR SUDANESE MEDICAL SPECIALITY RESIDENTS**

- |  |  |
|--|--|
| 1. Clinical Radiology of the chest Lecture and Quiz 24.07.2020                                 | 5. Imaging the Acute Abdomen 3.7.2020 viewed by 697              |
| 2. Virtual training of Radiology residents on Role Play, self-confidence 23.07.2020            | 6. Introduction to clinical imaging 5.4.2020 Viewed by 350       |
| 3. Clinical Radiology 2 <sup>nd</sup> Quiz and discussion of answers and DD 17.7.2020 4k Views | 7. Radiology Vigilance for COVID 19 10.4.2020 Viewed by 707      |
| 4. Clinical Radiology Quiz and discussion of answers and DD 7.7.2020 viewed by 1.3K            | 8. What did we learn from the pandemic? 3.6.2020 Viewed by 3.1 K |

#### **VIRTUAL CLASS FOR SUDANESE YOUNG SPECIALISTS**

1. Rapid reporting FRCP2B test and answers discussion 15.07.2020
2. Rapid reporting FRCR2B test and answers discussion 11.7.2020
3. Rapid reporting FRCR2B test and answers discussion 18.7.2020

#### **SOCIAL MEDIA CONSULTATION AND TEACHING**

1. WhatsApp Groups for Sudanese Clinicians:
  - Sudarad with 285 doctors
  - Sudarad2. with 256 doctors

- Sudarad3. with 274 doctors
- SUDARAD(4) with 54 doctors

## TEACHING SESSIONS FOR KING SAUD BIN ABDUL-AZIZ UNIVERSITY FOR HEALTH SCIENCE (KSAU-HS) STUDENTS

- Nuclear medicine imaging of the adrenals, 14 November 2022
- Head and Neck imaging, 3 October 2022

### Female Students:

1. Chest Imaging - 21 April 2021.
2. Abdominal Imaging - 21 April 2021.
3. Head and Neck Radiology - 19 Apr 2021.
4. Head and Neck Radiology - 18 Apr 202.
5. Chest Imaging (virtual) - 03 Dec 2020.
6. Abdominal Imaging (virtual) - 03 Dec 2020.
7. Radiology of the Abdomen (Liver, Spleen & Major Abdominal Vessels) - 05 Apr 2020.
8. Radiology of Urinary Tract - 30 Mar 2020.
9. Radiology of Urinary Tract - 30 Mar 2020.
10. Trauma Imaging/Pre-recorded - 29 Mar 2020.
11. Chest Imaging (BB/Pre-Recorded) - 22 Mar 2020.
12. Abdominal Imaging (BB/Pre-Recorded) - 22 Mar 2020.
13. Acute Abdomen Imaging/Pre-Recorded - 15 Mar 2020 .
14. Abdominal Imaging - 12 Feb 2020.
15. Chest Imaging - 12 Feb 2020.
16. Trauma Imaging - 11 Feb 2020.
17. Radiology of Urinary Tract - 04 Dec 2019
18. Chest Imaging - 04 Dec 2019.
19. Abdominal Imaging - 04 Dec 2019.
20. Abdominal Imaging - 22 Oct 2019.
21. Chest Imaging - 22 Oct 2019.
22. Abdominal Imaging - 15 Apr 2019.
23. Chest Imaging - 15 Apr 2019.
24. Abdominal Imaging 18 Feb 2019.
25. Chest Imaging - 18 Feb 2019.
26. Chest Imaging - 03 Dec 2018.
27. Abdominal Imaging - 03 Dec 2018.
28. Abdominal Imaging - 08 Oct 2018.
29. Chest Imaging - 08 Oct 2018.
30. Abdominal Imaging - 22 Apr 2018.
31. Chest Imaging - 15 Apr 2018.
32. Chest Imaging - 14 Feb 2018.
33. Abdominal Imaging - 14 Feb 2018.
34. Chest Imaging - 20 Dec 2017.
35. Abdominal Imaging - 17 Dec 2017.
36. Abdominal Imaging - 25 Oct 2017.
37. Abdominal Imaging - 22 Oct 2017.
38. Chest Imaging - 18 Oct 2017.
39. Chest Imaging - 18 Oct 2017.
40. Chest Imaging - 17 May 2017.
41. Abdominal Imaging - 14 May 2017.
42. Abdominal Imaging - 12 Mar 2017.
43. Chest Imaging - 08 Mar 2017.
44. Abdominal Imaging - 04 Jan 2017.
45. Chest Imaging - 28 Dec 2016.
46. Arthritis - 02 Nov 2016.
47. Bone Tumor - 02 Nov 2016.
48. Osteomyelitis - 31 Oct 2016.
49. Metabolic Bone Disease - 31 Oct 2016.
50. Shoulder & Arm - 26 Oct 2016.
51. Elbow, Forearm, Wrist & Hand - 26 Oct 2016.
52. Chest Imaging - 19 Oct 2016.
53. Abdominal Imaging - 06 Apr 2016.
54. Chest Imaging - 30 Mar 2016.
55. Abdominal Imaging - 24 Feb 2016.
56. Chest Imaging - 17 Feb 2016.
57. Abdominal Imaging - 14 Oct 2015.
58. Chest Imaging - 07 Oct 2015.
59. Abdominal Imaging - 20 May 2015.
60. Abdominal Imaging - 04 Mar 2015.
61. Chest Imaging - 25 Feb 2015.
62. Abdominal Imaging - 24 Dec 2014.

### Male Students:

1. Abdominal Imaging - 24 Dec 2014
2. Chest Imaging - 25 Feb 2015
3. Abdominal Imaging - 4 Mar 2015
4. Abdominal Imaging - 20 May 2015
5. Chest Imaging - 7 Oct 2015
6. Abdominal Imaging - 14 Oct 2015
7. Chest Imaging - 17 Feb 2016
8. Abdominal Imaging - 24 Feb 2016
9. Chest Imaging - 30 Mar 2016
10. Abdominal Imaging - 6 Apr 2016
11. Chest Imaging - 19 Oct 2016
12. Osteomyelitis - 31 Oct 2016
13. Metabolic Bone Disease - 31 Oct 2016
14. Bone Tumor - 2 Nov 2016
15. Arthritis - 2 Nov 2016
16. Chest Imaging - 28 Dec 2016
17. Abdominal Imaging - 4 Jan 2017
18. Chest Imaging - 8 Mar 2017
19. Abdominal Imaging - 12 Mar 2017
20. Abdominal Imaging - 14 May 2017
21. Chest Imaging - 17 May 2017
22. Chest Imaging - 18 Oct 2017
23. Chest Imaging - 18 Oct 2017
24. Abdominal Imaging - 22 Oct 2017
25. Abdominal Imaging - 25 Oct 2017
26. Abdominal Imaging - 17 Dec 2017
27. Chest Imaging - 20 Dec 2017
28. Abdominal Imaging - 14 Feb 2018
29. Chest Imaging - 14 Feb 2018
30. Chest Imaging - 15 Apr 2018

31. Abdominal Imaging - 22 Apr 2018
32. Abdominal Imaging - 8 Oct 2018
33. Chest Imaging - 8 Oct 2018
34. Abdominal Imaging - 3 Dec 2018
35. Chest Imaging - 3 Dec 2018
36. Abdominal Imaging - 18 Feb 2019
37. Chest Imaging - 18 Feb 2019
38. Abdominal Imaging - 15 Apr 2019
39. Chest Imaging - 15 Apr 2019
40. Abdominal Imaging - 22 Oct 2019
41. Chest Imaging - 22 Oct 2019
42. Radiology of Urinary Tract - 4 Dec 2019
43. Abdominal Imaging - 4 Dec 2019
44. Chest Imaging - 4 Dec 2019
45. Trauma Imaging - 11 Feb 2020
46. Abdominal Imaging - 12 Feb 2020
47. Chest Imaging - 12 Feb 2020
48. Acute Abdomen Imaging/Pre-recorded - 15 Mar 2020
49. Abdominal Imaging (BB/Pre-Recorded) 22 Mar 2020
50. Chest Imaging (BB/Pre-Recorded) 22 Mar 2020
51. Trauma Imaging/Pre-recorded - 29 Mar 2020
52. Radiology of Urinary Tract - 30 Mar 2020
53. Radiology of Urinary Tract - 30 Mar 2020
54. Radiology of the abdomen (liver, spleen, and major abdominal vessels) - 5 Apr 2020
55. Abdominal Imaging (virtual) - 3 Dec 2020
56. Chest Imaging (virtual) - 3 Dec 2020
57. Lecture 06.6 Head and Neck radiology - 18 Apr 2021
58. Head and Neck radiology - 19 Apr 2021
59. Abdominal Imaging - 21 Apr 2021
60. Chest Imaging - 21 Apr 2021

## **WORK IN PROGRESS**

1. New look at an old disease. Classification of knee osteoarthritis.
