APPOINTMENT AS CONSULTANT NEUROLOGIST IN THE ROYAL CARE  
INTERNATIONAL HOSPITAL KHARTOUM SUDAN 26 June 2011 to 30th August  
2012 before returning to resume my present job in Saudi Arabia

Current Job

Consultant Neurologist

KFSH Qasim Saudi Arabia

The current contract started 30<sup>th</sup> December 2012

PREVIOUS ADMINISTRATIVE DUTIES in KFSH Qasim:

Chief of Medical Department

Head on Neurology Unit

Member and Chapter leader in JCI Accreditation Group in KFSH Qasim  
Member of several committees : Mortality Review Committee , Hospital executive Board ,  
Risk Management Committee, Quality Management  
Committee

### Psychiatry experience

I have no formal experience in psychiatry but I have graduated with a credit in psychiatry from medical school and my work in different disciplines in internal medicine , elderly patients care and as neurologist had involved dealing with a variety of psychiatric problems like anxiety, depression, dementia, psychosomatic disorders, and psychosis and I had some past experience in psychiatry in the UK working as locum SHO in psychiatric hospitals . I trust I have good command of English as well communication skills and above all enthusiasm and motivation which I would think will allow me to function effectively and efficiently as psychiatry registrar .
