### **Teaching Experience**

I am a caring and reliable person with a positive attitude towards education and training, being fully committed to the continuing professional development.

I have completed my own lecture notes in the full Syllabus of General surgery since 2011 which is revised and updated annually.

I have been teaching General surgery courses( Theory & Clinical surgery) for undergraduates in private educational institutions since 2011 upto 2017

Now I am Assistant Professor in National University of Sudan (Al-Watania).

### **IT SKILLS**

In this day and age information technology is part of everyday life. I daily use the Internet for banking , emailing and for searching the web for information. I have been using Microsoft Office on almost a daily basis for the last 10 years. I am well experienced in using word, excel and powerpoint.
