- Continuous evaluation 20%
- Written examination 30%
- Practical exam 50%

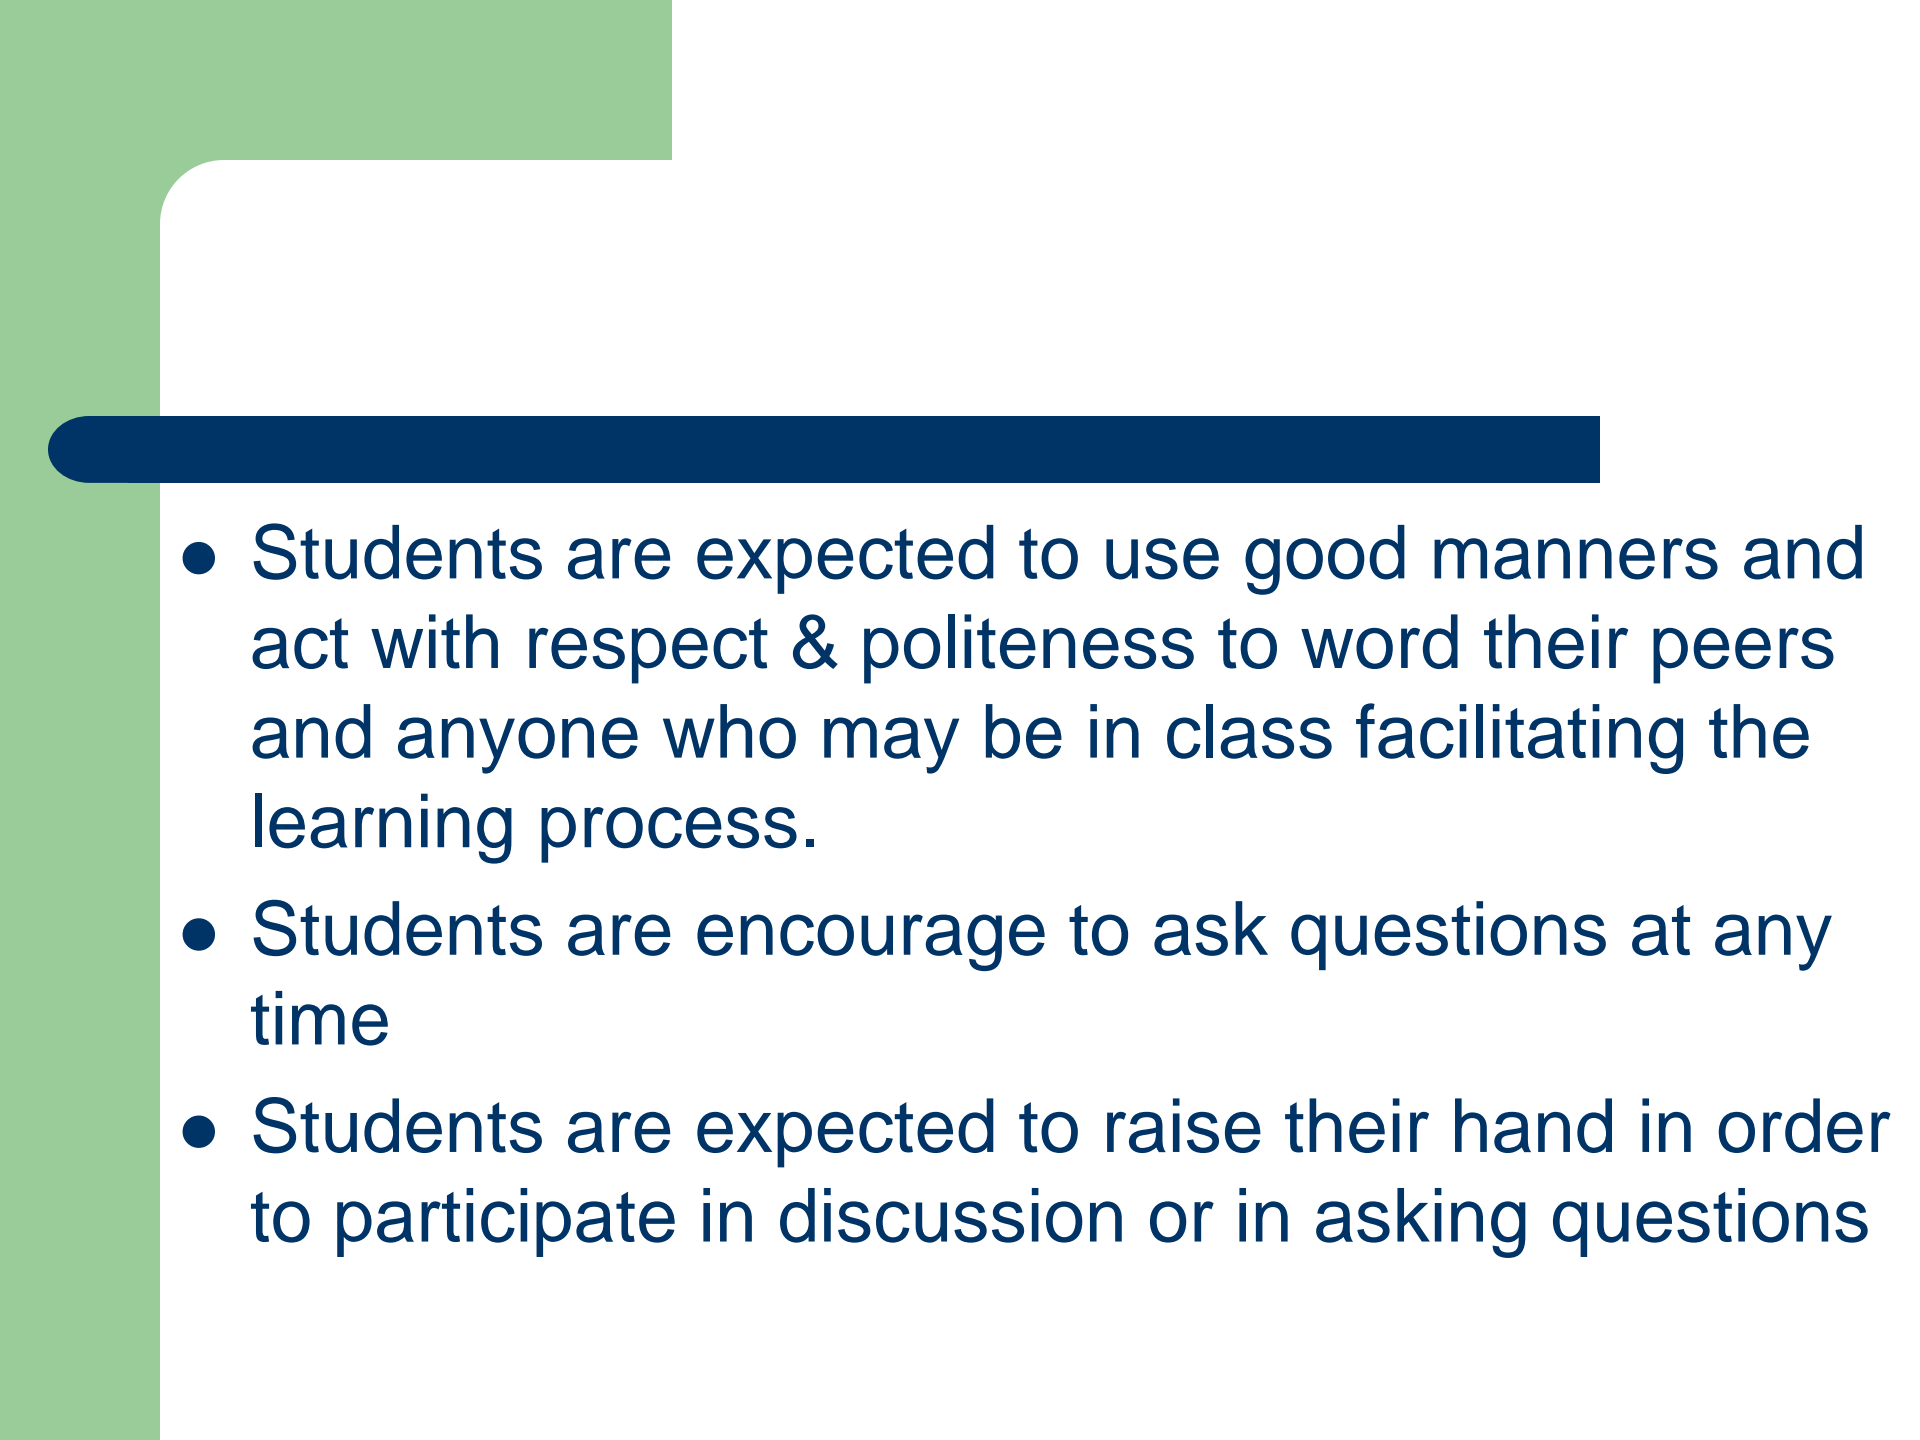

Required resources:

- Lecture hall
- Hospital wards
- Library
- Transport

Behaviors Expected in class room:-

- Students are expected to attend all lecture on time, bring pen and paper (note book) to take notes.
- **NOTE** :(by reading the notes alone you not pass in exam).
- Students are expected to stay in the class until the class is dismissed, unless prior arrangement have been made for an early dismissed (physician's appointment).
- Students are expected to be alert throughout the class.

- 
- Students are expected to avoid talking with their peers or friends while the lecturer or other student are speaking.
 - Students are expected to be participating until the end of the class.
 - Cell phone usage will be limited to breaks. Cell phones need to be on silent mode or off during lecture time.

- 
- Students are expected to use good manners and act with respect & politeness toward their peers and anyone who may be in class facilitating the learning process.
 - Students are encouraged to ask questions at any time
 - Students are expected to raise their hand in order to participate in discussion or in asking questions

- Work is expected on the date it is due (e.g. assignment). Exceptions is made only for extraordinary situations with approval of lecturer and after witting an excuse letter stating those extraordinary situations. After these conditions another date will be scheduled.
- Do not request to transfer power point slides for the lecturer lap top using USB device or smart phone.

Behaviors Expected out of the class room:-

- All students welcome to meet me if have queries regarding the course (Scientific and logistic) or important personal issues in the office flour 8(not in the hallway- cafeteria) during the working hours, apart from the students coordinator no student is expected to call or text me on phone or What Sapp.
- In case of any problems (lecture-clinic-.....) Don't call the Dean of faculty Directly, call me first.

Any quetsion ?

Thanks 4 your Attention
