

NATIONAL UNIVERSITY-SUDAN [NUSU]
Academic Calendar Form [ACF]

The Scientific Council [SC] of the National University-Sudan [NUSU] approved the Academic Regulations [RGA], which adopted the modular pattern of course organization. The modules in each academic year in the various Faculties include a number of courses distributed over two semesters, in addition to summer courses including remedial and elective modules. This Academic Calendar Form [ACF] describes the important entries that have to be prepared before the beginning of the academic year for each of the batches of students, in each program. It is the responsibility of the Dean [D] to fill up the form before being signed by the President of NUSU. The [D] should observe the dates approved by the SC for the beginning and ending of each semester and abide by the Curriculum Map and Prospectus. Staff availability and logistics may justify slight changes in the sequence of the courses, which may be approved by the President. The LOGISTICS column should include the requirements needed for the implementation of the course.

Academic Year: [2025/2026]

Faculty: Nursing and Midwifery Science

Class: First Year

Semester: One

Batch No: (16)
